

# SAFE MEETING

## - WITH OUR EVENT PACKAGES

Our in-house hygiene concept is optimally tailored to seminars, customer and employee events, training courses and workshops for 50 to 1,000 people

In mid-June, events will be returning to the Austria Center Vienna for the first time after a three-month-long break due to the corona crisis. To ensure that everything proceeds safely, we have put together a comprehensive, detailed plan which fully complies with the latest regulations from the Austrian Ministry of Health and the recommendations issued by the WHO. This means that you can channel your full concentration into the content of your event.

As Austria's largest congress centre, with 24 rooms, 5 halls and 180 meetings rooms at our disposal, we offer the ideal setting for your event.

The room sizes are increased accordingly by consistently observing the minimum distances. Of course, we still offer the event packages at the usual conditions!

Rooms to grow ideas.
