AUSTRIA CENTER VIE

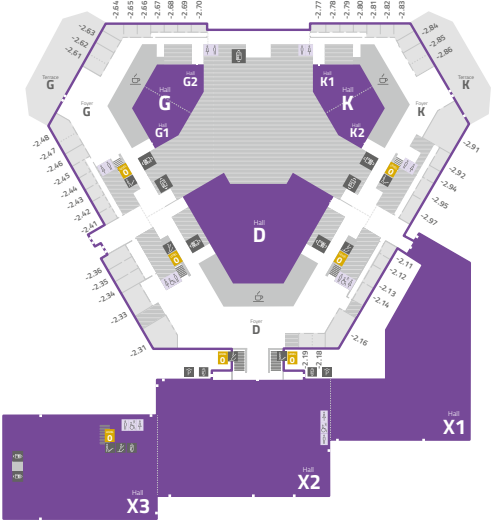

VERSATILE
ROOMS

By 2022, a further 4,200m² of outstanding and versatile exhibition space will be added to the rooms and halls currently available at the Austria Center Vienna. And all topped off by a spectacular canopy: the **danubeSAIL**.

With these upgrades, the Austria Center Vienna is paving the way for event organisers to take advantage of new, innovative and unique event concepts, while also turning the venue into one of the city's landmarks.
